

## WEDDING & SPECIAL OCCASION CAKES

### Price List & Portion Guide

Our cakes are available in a choice of sizes and flavours. From the traditional rich fruit cake with marzipan, to the ever popular vanilla sponge with jam and buttercream or lemon sponge with lemon curd and a zesty lemon buttercream filling. If ordering a tiered wedding cake, why not try a selection of different flavours!

Cakes are covered in either a sugarpaste icing, buttercream, chocolate ganache, marzipan and royal icing or left 'naked' unless otherwise requested. They are mounted on a cake board and boxed ready for transportation.

We also offer delicious chocolate wedding cakes with a white or dark chocolate ganache filling. Choose from the rich dark chocolate or white chocolate ganache or couverture covering. Combine dark and light for a more dramatic décor effect.

'Naked' cakes are in! These popular cakes are left un-iced, sprinkled with a dusting of icing sugar and decorated with fresh fruit or flowers.... what could be nicer than a freshly baked, moist carrot cake with a cream cheese filling, a luscious lemon drizzle sponge, or an indulgent coffee and walnut with a silky, smooth coffee cream filling. Perfect all year round!

Cupcakes are still very popular and are great value for money. They can be served as a dessert or used as a wedding favour for each guest. They can look quite stunning on a cupcake tower and can be complemented with a decorated cake or giant cupcake on the top tier for the 'cutting the cake' photograph.

The size of the cake will vary according to the number of guests and whether you wish to serve the cake as dessert or offer a finger portion. If ordering a wedding cake, don't forget the evening guests and 'send away' portions too. The shape of the cake should also be taken into account when calculating quantities. Choose from a round, square, heart or hexagonal. Other shapes may be available on request.

It would help at consultation, if you had an idea of the number of guests at your event when calculating sizes and prices.

We ask for a 25% deposit with your order to secure your booking. The outstanding balance is due for payment one week before collection/delivery of the cake.

If you would like to view your completed wedding cake before your wedding day this may be possible the day before the wedding. Viewings can be arranged by contacting Aprilhaven.
