

CHEESE TOWER CAKES Price List & Guide

YOUR CHEESE TOWER CAKE

Thank you for your enquiry regarding our Cheese Tower Cakes.

Our decorated cheese tower cakes make a superb addition to your wedding breakfast or special event. They can be decorated with fresh flowers, fresh fruit, nuts, figs, dates, raw vegetables the choice is endless!.

A cheese tower cake can look quite splendid at your wedding reception or event and will become an immediate talking point. The cheeses may be used as an extra course at your wedding breakfast or served at the evening buffet with rustic breads, crackers, pickles and chutneys. They make a wonderful centrepiece for an anniversary, christening, special birthday or corporate event.

Whilst artisan cheeses are a firm favourite with cheese lovers, when selecting cheese we recommend using some traditional favourites such as Stilton and Cheddar. For your wedding or anniversary, why not top the cheese tower with a heart-shaped goats cheese!

We can supply a variety of cheeses which are available in various sizes and weights. If you have certain cheeses in mind please contact us and we will provide you with a price. Some cheeses can be co-ordinated to your colour scheme such as Nettle coated cheeses for your green and white event, Oak Smoked Cheddar works well with apricot and orange, or matured rustic cheeses can look elegant with minimal decoration or decorated with fruit and flowers for that informal country garden look.

The cost of the cheese tower cake will depend on the type of cheeses you choose, the size and the decoration. When calculating the size of the cheeses you should allow approximately 100 grams of cheese per guest.

Payment

Please note that full payment for cheese towers will be due 4 weeks before your event.
